HOW TO SUBMIT A CLAIM

You have been injured and you need to file a claim for consideration of benefits. How is that done? Below are basic items that need to be included in order to have your claim considered. Please keep in mind that we are not guaranteeing your claim will be paid, we are saying if all conditions are met, then this claim will be considered for payment.

There are three basic items that are required in order for a claim to be considered eligible for benefits.

1) **A Completed Claim Form**
   Please be sure to neatly and fully complete your claim form. If you do not have a claim form, please call ***HSR*** for assistance. Your claim form must have a policyholder's authorized signature. The policyholder representative is an employee or other administrator that acts on behalf of the policyholder to verify your claim. The policyholder will typically be your BSA or LFL Leader.

2) **Copies of Fully Itemized Bills**
   Please contact the providers of medical service directly for an itemized billing. An Itemized bill is usually in the HCFA-1500 or UB-92 format which means the bill should have a date of service, patient name, billing address and phone, provider tax identification number, procedural codes, and diagnosis code. If your bill does not have this information, please call the provider of service directly and request they mail it to us or call our office for assistance.

3) **Copies of Your Primary Insurance's Explanations of Benefits**
   The policy is excess to any other available source of medical benefits if the charges are greater than $300.00. This means that you must file your bills through your primary, or personal, insurance carrier prior to this policy responding. **If the total charges are less than $300.00, we will pay without the other insurance coordination.** When your primary insurance company processes the charges, they will send you an Explanation of Medical Benefits, or "EOB". You must forward a copy of the Explanation of Benefits for EACH CHARGE.

IF YOU DO NOT HAVE ANY OTHER AVAILABLE INSURANCE COVERAGE, fully complete Part 2 of the claim form as directed above, indicating "NO" in response to each insurance question, if appropriate. You ***MUST*** sign the insurance portion of the form if you have no other coverage. Please remember that this is a signed and sworn legal document.

For specific policy information, please call ***HSR*** to verify benefits. It is important to remember that policy wording or any verbal verification of benefits does not guarantee payment. It is important to remember that any statement of policy information does not guarantee the payment of any medical expense. Benefit determination can only be made once the entire claim and supporting documentation has been received and reviewed by the claims examiner.

Every policy has limitations on claim submission as well as on the benefit period, which is the period of time for which benefits are available for treatment for that injury from the date of injury. Treatment received past the benefit period is not eligible for benefits.
